Re: LOD WD SS 01-05

Dear Mr. Brandt:

On September 28, 2005, DES personnel inspected the newly approved septic system installed on your property identified as Lot #120 on Tax Map #5, located on East Washington Road in Hillsborough, NH ("the Property"). The purpose of the inspection was to assure the proper installation of the approved septic system (CA2005074625) and to determine compliance with RSA 485-A and applicable rules, and specifically whether the deficiency noted in our Letter of Deficiency ("LOD") No. WD SS 01-05, dated July 3, 2001, had been corrected.

As a result of this inspection, it was determined that the deficiency noted in our LOD of July 3, 2001 has been corrected.

Thank you for your cooperation in remedying this situation.

If you have any questions, please do not hesitate to contact Richard J. de Seve at (603) 271-3442.

Sincerely,
